

CSE 8331 - Spring 2012

Advanced Topics in Data Mining

<http://michael.hahsler.net/SMU/8331>

Schedule for the final project presentations

You have only about 10 minutes for presentation and then a few minutes for questions. Please make sure that you only report on highlights (results, developed software, etc.). You probably do not want to have more than about 5 slides.

April 23

Xiaodian Xie
Anurag Nagar
Hadil Shaiba
Tyler Kendrick
Akshaya Aradhya V

April 25: **10-11:30am, Perry Conference Room, 447 Caruth Hall**

Ph.D. Thesis Defense: Maya El Dayeh - Biological Pathway Completion Using Network Motifs

April 30

Aliasgar Lanewala
Yaseen Qadah
Ryan Zauber
John Howard
John Widhalm

Distance students

Please send me a recording (using e.g. CamStudio) by midnight the day before your presentation.
